CONTAINER CHARGES

Roll Off (Open Top) Charges

Customer must pay a deposit of \$100 in order to receive service. Sizes available are 20 yard, 30 yard and 40 yard. They are all 8 feet by 22 feet with varying heights of 4 feet, 5.5 feet and 7 feet respectively.

HAUL FEE: \$100 per haul

DISPOSAL CHARGES: Loads cannot exceed 10 tons (1 ton = 2000 lbs)
Asphalt and shingle containers can only be filled halfway

Construction and Demolition Materials, \$28 per ton
Trash or Mixed Load Materials, \$61 per ton

SITE FEE: of \$3 per day (not to exceed \$80 per month)

Haul Fee + Disposal Charges + Site Fee = Total Roll Off Charges

Each additional empty and # of days will be added to your total bill. You will also see remediation fees, landfill taxes, and a fuel surcharge on your invoice. These fees are calculated differently depending on where you container is located and if you are a business, a resident or are C&D tax exempt.

Front/Rear Load Charges

Customer must pay a deposit equal to the delivery charge plus one disposal.

CONTAINER DELIVERY CHARGE of \$40.00 for all containers

DISPOSAL CHARGE per empty: (1 yard = the size of 2 polycarts)

- 1 yard container- \$9.86
- 2 yard container- \$16.74
- 3 yard container- \$24.68
- 4 yard container- \$28.78
- 6 yard container- \$39.45

After 30 days of having the container, the customer will be charged an additional fee of:

- 1 yard container- \$10.00
- 2 yard container- \$14.00
- 3 yard container- \$17.00
- 4 yard container- \$20.50
- 6 yard container- \$26.25

Delivery Charge + Disposal Charge + 30 day fee (if applicable) = Total Front/Rear Load Charges

Each additional empty and 30 days of service will be added to your total bill.

Front Load/Rear Load containers can be put on a weekly pickup route, but those charges are different. Please call MASWU for pricing.
